5<sup>th</sup> January 2021

Dear Parents and Carers,

Following the announcement yesterday by the Prime Minister ([Prime Minister's address to the nation: 4 January 2021 - GOV.UK \(www.gov.uk\)](#)), the school will remain closed for the foreseeable future and move to online teaching. The school will only be open for children of key workers and those classed as vulnerable. The rest of the children will be expected to continue their learning at home. Work can be accessed on Google Classroom by following the nsix login tab on the Holt CP School website ([Holt Community Primary School](#)). The work will be updated daily and we welcome communication by email with the class teachers. If you have any problems accessing the work or need any passwords then please contact the class teacher who should be able to support you. The email address for each teacher can be found at the Who's Who section of our website. Any parents who do not have access to computers at home should contact their class teacher so that alternative equipment can be arranged or paper copies of the work provided.

Children who currently receive free school meals will be eligible for a daily meal during the period of national lockdown. This was achieved by issuing weekly vouchers during the previous lockdown but we are currently awaiting further guidance. In the meantime, parents may order a lunch box to be collected from school by contacting the office.

Please remember that you can contact me at [head@holt.norfolk.sch.uk](mailto:head@holt.norfolk.sch.uk) or any of the teachers during this period of closure if you need any help or support.

We would like to wish everyone our best wishes during this difficult period and look forward to welcoming everyone back to school again.

Best wishes

Simon Walters
