

Holt Community Primary School

ICT Code of Conduct agreement form: parents/carer

As the parent or carer of pupil(s) at Holt Community Primary School, I grant permission for my child to have access to use the internet, school email and other ICT facilities at school.

I know that my daughter or son is aware of the the school's rules for responsible ICT use, outlined in the ICT Code of Conduct for pupils. I know that the latest copy is available on the school website and that further advice about safe use of the Internet can also be found there.

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the Internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials. These steps include using a filtered internet service, safe access to email, employing appropriate teaching practice and teaching online safety skills to pupils.

I understand that the school can check my child's computer files, and the websites they visit. I also know that the school may contact me if there are concerns about my son/daughter's online safety or online behaviour.

I will support the school by promoting safe use of the internet and digital technology at home and will inform the school if I have any concerns over my child's online safety.
