

Pupil questionnaire Summary

At the end of last term we surveyed the pupils to find out their opinions about the school. The children completed the questionnaire anonymously and a summary of the results is written below. The teachers and governors will be discussing the results and we will be using the information to help improve the school. The last pupil survey was carried out in 2016 but some of the questions have changed. Where there are similar questions we have include the comparable results.

Questionnaire for pupils (July 2017) Years 1-6

		Agree	Comment
1	I am happy to come to school.	92%	Last year 96%
