

Holt Community Primary School Newsletter Autumn 8 1st December 2020

The Christmas trees have arrived and we have started planning for Christmas. We will be having a Christmas post box this year but we have made some changes to ensure safety. Each class will have their own post box and we ask the children to only send cards to others in their own class bubble. The post box will be put out on Monday 7th Dec with the last post on Friday 11th Dec (Year 5 can bring cards on Monday 14th Dec). The cards will then be quarantined for a minimum of 72 hours before being sorted and delivered at the end of term.

Year 1 have been learning about the properties of 2d shape and made some great 2d pictures.

Year 2 have learnt some amazing facts about animals, classified them according to the criteria for each set and tested out their knowledge on the laptops.

We would like to send a huge thank you to Sanders Coaches for providing a fogging machine to help with the deep clean in the Junior building.

We would like to thank parents for all their support and understanding since the school reported its first positive case. We have worked closely with the Local Authority and followed the guidance given by Public Health England. Everyone has been very impressed by the way that Year 5 have embraced home learning and the rest of the school has continued as normal.

It is worth reminding parents to remain vigilant for symptoms. We ask parents not to send children to school if they show any of the symptoms of coronavirus (a high temperature, a new continuous cough, a loss or change to their smell or taste <https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/>).
