

## Holt Primary School - Wolterton Class - July 2020

Dear future Year 2 child,

We are very excited to welcome you back in September. We have got some interesting and exciting things planned for you and have been busy preparing for your safe and happy return to school. In year 2 we are very lucky to have the use of the hall and our classroom - this will give us lots of space to enjoy our learning. We will always begin and end our school day in the hall so this will be your entrance and exit point until further notice.

### Drop-off times - Monday 7 and Tuesday 8 September only

On Monday and Tuesday you will return to school with a staggered start depending on your family name.

Family Name Initial	Arrival Time
A-E	0845-0855
F-L	0855-0905
M-S	0905-0915
T-Z	0915-0925

### Drop-off times - from Wednesday 9 September

From Wednesday we should have got you moving a bit quicker and so we can shorten the staggered start. If we are still operating this staggered start after the half-term holiday we will reverse it so that if you've been starting later you will now start earlier!

Family Name Initial	Arrival Time
A-L	0845-0855
M-Z	0855-0905

### Bus

The staggered start doesn't apply if you come on the school bus!

### Preparing for the school day

You should come to school in uniform on Mondays, Wednesdays and Thursdays; and in PE kit on Tuesdays and Fridays. You should bring:

- Your lunchbox or correct money for school packed lunches in a sealed envelope: put it into the basket when you get into the classroom.
- A coat if needed
- A pair of named outdoor shoes (we will be doing lots of outdoor learning so these are very important and can stay at school)
- Your reading book

**Don't bring anything else**, including school-bags, **into school**. Please go to the toilet and wash your hands before you leave the house.

## Coming into school

You should come into the school playground through the infant entry gate and come into school through the infant door to the hall where an adult will greet you (see photos below). We will start our morning by cleaning our hands and then with activities in the hall. There will be space here for you to store your personal belongings (your lunch, outdoor shoes and coat). You will need to say goodbye to your adult on the playground as they will not be allowed into the school for the time being.

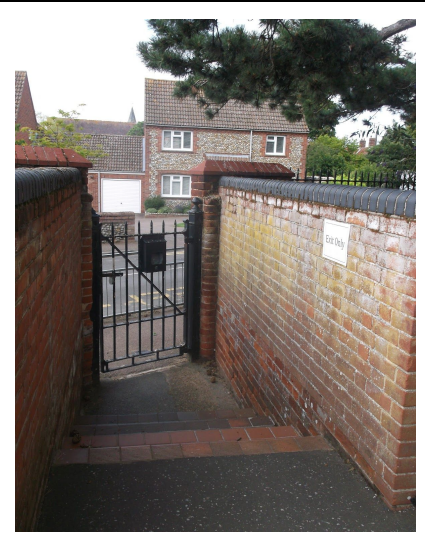

Infant Entry Gate

Your entrance into school

Infant Exit gate

## Dinners

You can't order a hot dinner for a few weeks. When we are ready for that we'll let you know!

## PE

You should come to school in PE kit on Tuesdays and Fridays. This should be: white t-shirt and dark shorts. If your hair is long make sure it is tied back, if your ears are pierced please take your earrings out before school. You will need outdoor PE shoes (trainers or astros). On chilly or drizzly days you may want to wear a warm top and tracksuit bottoms over the top of your t-shirt and shorts. **All PE will take place outside until further notice**, so please don't wear plimsolls.

## Coronavirus

You should not come to school if you have coronavirus symptoms. Ask your adult if you are worried that you may be ill. If anyone in our class bubble gets ill we will tell your adults.

## Communication

If your adults need to speak to us, get them to use email, phone or google classrooms. Even the Autumn term parents' evening will be done as a phone call!

## End of the school day

One of the adults in your bubble will bring you onto the playground at 3pm via the same door you came in through. Ask your adult to wait on the playground near that door and an adult from our bubble will send you to them.

## Concerns

Although we have done everything to ensure you have a happy and safe return to school we understand that some of you and your parents may have further questions. Please contact either Mrs Haynes on [ehaynes5nra@nsix.org.uk](mailto:ehaynes5nra@nsix.org.uk) or Mrs Yexley on [byexley6xr6@nsix.org.uk](mailto:byexley6xr6@nsix.org.uk) to discuss anything that may be worrying you.

We are very much looking forward to welcoming you into our Year 2 Bubble and helping you on the next part of your learning journey.

Best wishes,

Mrs Haynes and Mrs Yexley
