

Holt Community Primary School Newsletter Spring 2 10th February 2022

Well done to the group of Year 5 and 6 children who braved the weather last week to complete the Bikeability award. The instructors were very complimentary about the attitude of the group and the progress they had made during the week.

Throughout the school, classes have been working hard to help decorate our Go Go Dinosaur; each child contributing work in the style of a different artist. The dinosaur will be on display in Norwich as part of the Break charity Go Go Dino trail in the summer. Now we need your help to name it! If you have an idea, please let Mrs Haynes or Mrs Cole know your suggestions by Wednesday 24th February. Thank you to Woodrow builders, Holt Bookshop, Gordon and Eddie Kidd, and the friends of the school for their contributions to the dinosaur project.

Ms Furnell has had great fun teaching the whole of year 4 to play violin this half term.

Our mural is now on display near Budgens. Children from across the school helped to create a beautiful piece of artwork showing what makes Holt special to them. It is now helping to brighten up the area around the construction site.
