

Holt Community Primary School Newsletter Spring 6 17th March 2020

Sport Relief was a great success and raised an amazing £139 for the charity.

It was a brilliant British Science Week at the school last week. We searched outside for a rainbow of nature, we looked at how animals camouflage themselves, we found animals trapped in ice and put them back into their natural habitat, we changed the colour of daffodils and we made hovercraft.

Years 5 and 6 put on a fabulous class assembly and a display of their work on Invaders and Settlers.

Dates for your diary

Tue 24th Mar - Class photographs
2nd Apr-19th Apr - Easter holiday

Home Learning

The school will continue to remain open unless schools are instructed to close by Public Health England. If the government decides to close schools, it will be announced on the news and we will contact parents by text in the usual manner.

In case the school is closed, we have started to put work on the website that can be completed at home. This can be accessed by a link on the Holt CP School website www.holt.norfolk.sch.uk

Any parents who do not have access to computers at home can ask for paper copies of the work to be printed at the office.

We have also provided parents with free access to the website Twinkl for one month. The website provides lots of worksheets and activities that can be completed at home. Please follow the instructions on our website to sign up.
