

# Holt Community Primary School Newsletter Spring 6 3rd April 2019

A group of Year 3 children had a lovely day pond dipping, carrying out a scavenger hunt and meeting the sheep at Kelling Heath last week.

Olly Day worked his magic on the whole school to teach the children about road safety.

Our cycling team had a successful time at the tournament at Mundersley Junior School winning the cluster trophy.

The Reception Class performed a marvellous assembly based on the story 'The Kangaroo in the Billabong'.
