

Holt Community Primary School Newsletter Summer 11 8th July 2018

Multicultural week was a great success with activities based on 7 different countries competing in the World Cup. The countries chosen were France, Argentina, Egypt, Senegal, Spain, Morocco and Japan. The children had the chance to learn about the different landscapes, wildlife, flags, languages, cultures, architecture, food, music, dance and much, much more.

Our Go Go Leveret, Hopster Wilde, is now on display at the Forum Gallery in Norwich. He is joining leverets from other schools and community groups in the trail around Norwich. Maps locating the leverets in Norwich and around the county are available from Chapelfield, or you can download from the GoGo website. If you visit Hopster, please take a photo and share it with us! Thank you to our sponsors who enabled us to take part in the project: Thaxters of Holt, Woodrow Builders, Holman Builders, Allards Butchers, Gordan Kidd and Bakers & Larners.

The governors are very happy that the recent Ofsted inspection confirms that Holt CP School continues to be a good school offering a good quality of education. We are especially pleased that the inspector praised the things that make the school special, such as the vibrant curriculum topics and the care which is taken to ensure the happiness and safety of the children. The leadership team has successfully risen to the challenge of the previous inspection report to improve achievement in maths and spelling. The governors now welcome the inspector's advice on how to improve further. We are looking forward to working rigorously with the leadership team and the staff to plan future progress. Thank you all for your support.
 Fr Stephen Graham, Chair of Governors.
 If you did not receive your copy of the Ofsted report you can view the report online or get a copy from the office.

Year 6 were treated to a visit from the Science Bus from Sheringham High School.

Years R and 5 have made the most of the wildlife area to keep cool during this hot weather. They have spent several pleasant afternoons den building, bug hunting and playing hide and seek with their assembly partners.

On Friday the school was entertained by an excellent concert by violinist Fenella Humphreys and Daniel Grimwood on the piano.

Well done to the School Council for organizing the cake sale on Friday. It raised an amazing £54.50 for EAT for Each.
