## Newsletter 4 Summer 21

### 21st June 2021

Year R have been learning parachute games in the infant playground.

Schools have been scrambling to evaluate the impact on the planned end of term activities following the recent announcement by the Prime Minister that restrictions will not be lifted. After consulting the guidance we have decided to make the following changes.

#### New Year R transition

This will now take place after school and we have arranged separate sessions for children from each of the pre schools.

#### Year 6 transition days

These look likely to change and Sheringham have already changed the date to 7th July and the itinerary for their day.

#### Year 6 Leavers' assembly

Year 6 will now be filming their leavers assembly and parents will be sent a link.

#### Sports day

We will be splitting Sports Day into four separate events so that each bubble can remain separate. They will take place during the final week of term, but sadly we will not be able to invite parents.

#### Competitions

The athletics and cricket competitions have been cancelled as they involved visiting another school.

#### Trips

We will be able to continue our planned Y5/Y6 trip to Holkham as we will remain in our own separate bubble throughout the visit.

#### Parent/teacher consultations

The parent/ teacher consultations will still take place during the week beginning 12th July, but will be conducted by telephone.

The school was filled with bashing and crashing on Monday (even more than usual) as we joined in with 'Bucket Beats' for Make Music Day.

Mr Upton taught Year 5 athletics last week and showed them how to throw the javelin.

#### Dates for your diary

Tue 29th June - Y5/6 trip to Holkham  
Fri 2nd July - School reports will be sent out.  
Wed 7th July - Y6 Sheringham transition day  
Wk beg 12th July - Parent/Teacher consultations.  
Thur 22nd July - Last day of the Summer term.
