

Holt Community Primary School

Newsletter 6 Summer 21

15th July 2021

As part of their learning on 'food and farming', Year 2 have been designing egg boxes to help keep the eggs safe from farm to shop to house. They then tested their creations to see if the eggs arrived safely.

Sports Day Monday 19th July

It is Sports Day on Monday so please ensure that the children come to school in their P.E kit. To keep bubbles separate we will be running four events.

	Spectators arrive	Event time
Years 5 and 6	9.15am	9.30 -10.15am
Years 3 and 4	10.45am	11.00 - 11.45am
Years 2	12.45	1.00 - 1.45pm
Year R and 1	2.00pm	2.15-3.00pm

To keep the number of spectators down to a manageable number, we are only allowing one spectator per child to attend each event (sorry no small children). Please email head@holt.norfolk.sch.uk to book a place. All spectators will need to remain in a separate enclosure on the other side of the running track from the children. There will be plenty of space to spread everyone out in the enclosure and we will also provide chairs.

Year 5 have enjoyed designing and making models of fairground rides this week. They then programmed their lights and movements using coding and Crumble kits.

Year 6 were presented with lovely leavers' hoodies by the Friends of Holt CP School.

Dates for your diary

Mon 19th July - Sports Day
 Thur 22nd July - Leavers' Lunch
 Thur 22nd July - Last day of the Summer term.
