

Holt Community Primary School Newsletter Summer 9 14th July 2022

Years 1 and 2 turned the hall into a wonderful dinosaur museum and invited parents and all the other classes to marvel at their amazing work.

Years 3 and 4 had a fantastic day at Wells on Tuesday. They did orienteering in the pine woods, collected shells and used a chart to identify them. They then used their collections of shells to decorate their fabulous sand sculptures.

Sports' Day and picnic - 12.15 Wednesday 20th July

Due to the weather warning for extreme heat we have decided to move Sports' Day and the picnic back a day to Wednesday. With temperatures predicted to be over 30 degrees, we couldn't risk holding the event on Tuesday and at the moment Wednesday is forecast to be cooler. There is always a danger of looking foolish when making decisions based on weather forecasts, but we wanted to give parents as much notice as possible. Parents are invited to join us for a picnic in the junior playground at 12.15 on Wednesday followed by Sports' Day on the big field at 1pm. If anybody has ordered a Feast in the Field lunch box, this will now be served on Wednesday. If the weather warning is extended to Wednesday we will have to cancel the event as we will not be able to fit it in before the end of term. So fingers crossed for Wednesday!

Well done to the group of Y6 who competed in Gresham's STEAM final last week.

Menu Change

Tuesday 19th July - Roast dinner (Wednesday menu)
Wednesday 20th July - Feast on the Field (pre-ordered)

Dates for your diary
