

## Blickling Class - March 2021

Dear Year 5 ,

Well done again for all your hard work on Google classroom and I hope it will help as we return to school. I am looking forward to seeing you all for real on Monday 8th March! Things will be very similar to when we finished at Christmas but here are a few reminders to help us get back into the routine.

### Drop off times

Family Name Initial	Arrival Time
A-L	0845-0855
M-Z	0855-0905

### Bus

The staggered start doesn't apply if you come on the school bus.

### Preparing for the school day

You should come to school in uniform on Tuesdays, Thursdays and Fridays; and in **PE kit on Mondays and Wednesdays (including Monday 8th March)**. You should bring - if needed - your lunchbox, a coat, your outdoor PE shoes and any library books that you have finished. If you are having a school lunch, please put the correct money in a sealed, named envelope; put it into the basket when you get into the classroom. Please don't bring anything else, including school-bags, into school. Please go to the toilet and wash your hands before you leave home.

### Coming into school

As before, you should come into the school playground through the junior gate and enter the building using the big, brown junior door. If you have dropped off your younger brother or sister in the infant playground, you can use the narrow walkway that runs between the two playgrounds. Please say goodbye to your adult in the playground! Come into the classroom straight away and wash your hands in the sink in the classroom.

## **Equipment**

Please remember to bring the books and equipment that you have borrowed for home learning back to school on Monday.

Chromebook and charger

CGP Grammar and Maths book

Library books

Stationery pack (with whiteboard, pen, whiteboard pen etc)

Headphones

Guided reading book (This could be Escapades in Holt, Diary of a Killer Cat or Born to Run)

If you took your outdoor shoes home over the holiday, please remember to bring them back and it would be easiest if you could leave these in school.

It would be helpful to put this all into a bag and bring it into the classroom where we will organise it.

## **Lunch**

You can bring a packed lunch or order a hot lunch, school packed lunch or jacket potato in the normal way. Please bring the money in a named, sealed envelope and put it in the basket in the classroom. We will be eating our lunch in the classroom or outside on the picnic tables.

## **PE**

You should come to school in a PE kit on **Mondays and Wednesdays (including Monday 8th March)**. This should be: white t-shirt and dark shorts. You will stay in your PE kit for the rest of the day. If your hair is long please tie it back or bring a hair-tie. If your ears are pierced, please leave earrings out on these days or you should have a little pot to put your ear-studs in. You will need outdoor PE shoes (trainers or astros). On chilly or drizzly days you may want to wear a warm top and tracksuit bottoms over the top of your t-shirt and shorts. All PE will take place outside until further notice, so please don't wear plimsolls.

## **Coronavirus**

You should not come to school if you have coronavirus symptoms. Tell your adult if you are worried that you may be ill. If anyone in the Bickling bubble gets ill, we will tell your adults.

## **Communication**

Please tell your adult to only come into school if absolutely necessary. If your adult needs to speak to me, please phone the office or email.

## **End of the school day**

Miss Thompson Bell or I will bring you onto the junior playground at 3pm via the big, brown junior door (same as your entrance.) Please ask your adult to wait on the junior playground wearing their mask.

If you have any questions, please do get in touch via email [scole5nrl@nsix.org.uk](mailto:scole5nrl@nsix.org.uk).

Mrs Cole and Miss Thompson-Bell
