

# Felbrigg Class Newsletter

Happy New Year!

Welcome back to school everyone. I hope you all enjoyed your break. Here is an overview of what we have lined up in the spring term.

## This term's topics

Our topics form a background to much of the work we do each half term and links will be made across subjects. This term we will be focusing on:

Animals, including Humans—This is a Science topic which will teach the class about the changes in humans as we develop into old age and also the role of the heart, circulation system and how nutrients are transported around the body.

Anglo Saxons and Vikings— During this topic we will learn about the history of Anglo-Saxon and Viking Britain including where they came from, how they lived and the legacy they have left behind.

## English

For this term, we have chosen two fantastic books which link to our topics and which will inspire some fantastic narrative writing and which will spark interesting debates.

Our first text is **Pig Heart Boy** by Malory Blackman.

The second text is **Beowulf**, which is an Anglo Saxon tale.

## Maths

In Maths this term, we will be focusing on decimal numbers, percentages, area, perimeter and volume, algebra and converting units.

## PE

PE lessons are on Tuesdays and Wednesday. Your child should come to school in their PE kits on these days.

Reminder- Bikeability training will begin on 31.1.22 for those taking part.

## Homework

Homework will continue to be given out on Friday and is due on Wednesday.

## Google Classroom

We are still using google classroom to provide work when children have to isolate but are

## Food Technology

We are planning to do some cooking as part of our DT lessons. Please can you let us know of any updates to your child's dietary requirements or allergies which might affect them in these lessons.

Thank you for your continued support, if you need to contact me you can email me at: [gwilcox26rt@nsix.org.uk](mailto:gwilcox26rt@nsix.org.uk)
