

Holt Community Primary School Newsletter Spring 5 6th March 2014

Year 5 held their own Great Exhibition last Wednesday. They turned their classroom into a museum of Victorian inventions. The parents and each class took it in turns to visit the museum. Everyone learned lots about the Victorians and agreed it was a tremendous success.

Several of our Year 4 braved the cold and wet weather last week to learn about road safety. Congratulations to all the children who passed the Bike Ability level 2 test.

Year 6 enjoyed their visit to the Theatre Royal to watch the Horrible Histories : Barmy Britain. The class wrote some very positive reviews about the trip and most rated it 10 out of 10. Some of the reviews are on display in my office.

16 children represented the school at the North Norfolk cross country competition. All of the children performed well against over 30 other schools. 6 children finished in the top 10 and they will now be invited to compete in the Norfolk finals.

Dates for your diary
