

Holt Community Primary School Newsletter Spring 7 20th March 2014

The under 9s netball team worked very hard and learnt a lot from the tournament at Beeston Hall. Congratulations to Richard, Tabitha, May, Rose, Luanna and Edward who competed in the Norfolk Finals Cross Country competition at Gresham's. They all achieved some truly excellent results. Finally, well done to our Rugby team who competed in the Norfolk finals at Diss.

NUT Strike 26/3/14—School will remain open

The National Union of Teachers will be holding a national strike on Wednesday 26th March in a dispute around pay, pensions and working conditions. Some teachers at the school have indicated that they will join the strike on that day but the school currently intends to remain fully open. Most classes will continue normally with their class teacher. Mr Walters will provide cover for any striking teachers.

Year 2 class assembly was about what jobs they would like to do in the future. It was good to see that Holt will be in good hands with doctors, vets, shop keepers, scientists, dancers, footballers and even a teacher. It was another tremendous assembly and a special mention for Mr Anthony for being a good sport!

There is a new addition to our wildlife area. The science club have made a wonderful worm house.

Congratulations to Year 5 for winning Clyde the attendance owl this week.
