

Holt Community Primary School Newsletter Spring 8 24th March 2014

Year 1 based their class assembly on the book *Silly Billy* by Anthony Browne. They followed it up by making worry dolls at a story café later in the week. Well done to everyone involved in both.

Holt Class took a fantastic trip to the Norfolk Showground to plant their own potatoes. After planting their potatoes they had workshops about how to grow a healthy spud and how a potato makes it from the soil to our supermarket shelves. They also had the opportunity to ask local farmers questions and make a potato fact book. The children will return to the showground in June to harvest their potatoes. Hopefully Year 2 will have grown the biggest spuds and win the prize for growing the biggest and best potatoes! Watch this space!

Menu changes
Wednesday 2nd April will be
