Holt Class News

September 2013

I warmly welcome you all into year two. All the children have settled well into their new classroom routines. Here is some useful information for the new school year.

P.E

This year PE will be on **Wednesdays** and **Fridays** please make sure your child has their kit on these days. If they have earrings please can they be removed on these days and can long hair be held up with bobbles as any 'hard' accessories such as clips would need to be removed for the lesson.

Reading books and Homework

Please continue to change your child's reading book when you come into school in the morning. There is lots of information in the reading record book to help you with reading at home as well as space to leave comments.

In year 2 homework mostly takes the form of reading at home together, I will also send home a short phonics or writing activity and a maths activity that your child can complete with you. This will go home on a Wednesday and can be returned on the following Monday.

Library books

Library books are changed each Friday please help your child bring their book bag in each week.

Show and tell

Your child is always welcome to bring interesting things in to share with the class. There might not always be time each day to do this but opportunities will be found where possible. Please encourage your child to bring in items other than toys.

Topics

We have a fun year of learning ahead of us starting with our first **topic**; **Ourselves!** We will begin the topic by making a short information book titled 'All About Me'. As part of our topic there will be a class assembly on the 20th November, more details to follow.

Our focus in **maths** will be partitioning, addition and subtraction.

<http://www.woodlands-junior.kent.sch.uk/maths/index.html> This website is useful for **maths**.

Literacy begins non-fiction text followed by poetry.

There are always lots of questions at the start of a new year and if the information in this news letter doesn't answer all your questions please do come and see me. I am around most mornings and after school and am happy to arrange a convenient time to talk.

Miss Nixon

A note from the office – **Dinner Money** If your child would like a school meal, please can they bring their dinner money in a clearly named purse or envelope. This could be done either at the beginning of the week, or on the day that your child would like a lunch. If you are paying for more than one day, it is helpful for you to let us know which days your child would like lunches. In order to build your child's sense of responsibility, they should place this money in the classroom basket in the morning. If you need change this will be returned in your child's purse or envelope at the end of the day. Thank you for your cooperation.
