

Holt Community Primary School Newsletter Autumn 3 25th September 2014

The school has its own group of news reporters, who are on the look out for the latest scoops. They intend to produce their own newsletter every couple of weeks. Look out for the first issue of Kids Perspective which is printed on the back of this Newsletter. We also have a group which has produced The Hoot Magazine, available in the Library. Well done to everyone involved.

A group of 19 children went to Cromer to complete the sports leaders training.

Learning to play the recorder is already a big hit with the Year 6.

Last week Year 3 and 4 made bomb shelters and then had fun testing them.

Following consultation with the kitchen and feedback from some parents and children, it has been decided to make a couple of changes to the menu. Roast pork on Wednesdays week 2 and 4 will be replaced with roast chicken. Cheesy pasta on Tuesday week 2 and 4 will be replaced by pasta with beef Bolognese.

Congratulations to Year 1 for winning Clyde the Attendance Owl.

Kids Perspective

Issue: Autumn 1

Well our Receptions have settled in nicely. I have heard they enjoy playing with the bikes and things inside. Most of them were very brave receptions and were extremely happy to chat! They were not scared to talk to us at all.

Now moving on to the new year 1's. It must have been a big change for them for they did not do much learning in Reception, Skyla who I was talking to said she did not do any maths in Reception, but now she had a go at it in year 1 she loves it! Oh and one last thing nearly everybody I asked said that they really like Mr Gleeson for he is very funny.

Finally we are at year 2. They are now the oldest in the infants so a very big move for them I have been told that they have been doing lots of maths and things like that. If you can tell us what year group has been making kites recently then you will have your name mentioned in the newsletter next time. Just tell Jenna or Anna next time you see them - there can be more than one winner!

The Playground.

The infant playground is going very well and all the children are having a great time in it. It is a very fun and safe place. The junior playground is a very fun and safe place too. In football everyone is happy and winning matches has been evenly spread. It has been especially nice as some girls have been joining in!

special mentions

year 1 well done to Jayden and Harry for settling in well in a new class.

year 2 well done to Kerian for his great maths.

A big well done for Alfie for his 10/10 on his spelling.

Year 4 well done to Archie for trying his best to finish the long distance competition Harriet and Ed for helping people to cross the line.

Year 5 Harley got a special mention for his great handwriting.

Year 6 Anna and Jimmy took extra homework just to practice for high school.

Well done Bobby you won the golden ticket.

done to year 2 who won Clyde the attendance owl.

The juniors have had a very successful week! 32 children from our school are going to compete at the Greshams cross country championships on the 3rd of October, so best of luck to all of them.

Year 3 and 4 are looking forward to the poppy line evacuee trip which they have to dress up for, they are all going to look very smart indeed.

Meanwhile in the upper juniors year 5 and 6 are studying the ancient Greeks, and at the end of their topic horrible histories will be coming in to tell them even more!

Year 6 are really trying hard with their times tables (well at least some of them are) to get a good result in their sats in May.

Even though May seems like ages away it will be here in no time.
