Menu Change

Please note that the kitchen has made some amendments to the menu to meet the new government guidelines on nutrition. Please see the new menu on the back of the newsletter.

Congratulations to the 70 children who achieved 100% attendance during the Autumn Term.

Following suggestions made by parents and consultation with the governors and staff, we have decided to make some changes to the timing of school reports.

KS2 - Reports will be sent home before Easter followed by a drop-in parent teacher consultation.

KS1 - Reports will be sent home after Easter followed by a drop-in parent teacher consultation.

Year R Reports will continue to be sent home in July.

At the end of the summer term parents will be invited to a consultation with their child's current and future teachers together. At this meeting parents will be handed a summary of the results from the end of year assessments.

Year R made their own kites and flew them in the playground on a windy day last week.
