

Holt Community Primary School Newsletter Spring 2 3rd February 2015

Year 3 went to the Forum in Norwich as part of the Norfolk Ambition Project. The children each became 'movers', 'technicians', 'storytellers' or 'apprentices' and collaborated with other schools from Cromer Ridge, to think about their ambitions for the future. Some of the children were lucky enough to be able to use the BBC recording equipment and even got to interview Norman Lamb!

Year 1 performed their assembly about Burns Night and also tried tasting haggis, neeps and tatties.

Year R held a fabulous Reading Café.

A celebration of the event will be held at the school in May, where the children's work will be on display.

Congratulations to Year 3 for winning Clyde the attendance owl this week.

Juniors!

In Year 3 they went to BBC studios in Norwich. They really enjoyed themselves! I think it is probably the first trip from Holt to a TV studio! Year 4 have been making elephants out of milk bottles! Some are grey or rainbow, sparkly or plain and have names such as Queen Elmer and Epic Elmer! Year 5 have been learning about electricity and circuits and have been making models of Carousels and ferris wheels. You will get to see them in their class assembly! They have also welcomed their 3rd Matthew! And finally Year 6 have been writing about Holt Air Crash of 1968. MOST have been finding it interesting! They have been designing futuristic vehicles and some took it A LOT more seriously than others!
