

Holt Community Primary School

Newsletter Spring 4

26th February 2015

Years 3 and 4 created a wonderful festival of light and a marvellous science museum.

We have had a visit from our Education Challenge Partner, who spent the day evaluating the school. He carried out a learning walk to observe teaching and behaviour, met staff and pupils, looked at the quality of work and analysed the school data. The day was very positive and he rated the school as Good overall. He rated all the following aspects of the school as Good: leadership, behaviour and safety, achievement and the quality of teaching. The full report is on display on the notice board outside the office.

Years 3 and 5 visited the library for Harry Potter Day.

Dorin Tuca and Daria Bitsiuk performed a fantastic classical music concert to the whole school.

Our latest display at the doctors surgery.
