

Holt Community Primary School Newsletter Spring 6 16th March 2015

Year 3 and 4 went on an adventure to Holt Country Park. They built their own shelters and went on a bug hunt.

Rachael Wright from the Norfolk Wildlife trust spent the day with year 3 and 4. She shared fascinating facts about the Norfolk coastline and the species that live there. We also discussed how we can look after the Cromer chalk reef which is 90 million years old!

Year 2 performed a Scottish spectacular for their class assembly.
