

Holt Community Primary School Newsletter Spring 7 23rd March 2015

Year 5 were citizen scientists, out and about measuring the depth, flow, clarity, temperature and width of a local chalk river. They also checked the health of the river by seeing what creatures they could find. Their data will be submitted and used by the Rivers Trust.

The Reception class assembly was based on the book 'The Little Red Hen'

The school used a wide range of different devices to view the solar eclipse on Friday.

Dates for your diary

Wed 25 March - Year 3/4 class assembly
 Wed 25 March - Easter dinner

 Fri 24 April - Year 5/6 trip to see 'Horrible Histories'

A year 5 and a year 6 netball team went to Cromer Junior School for a tournament. Both teams worked really hard and played fantastically with the Year 6 team winning the tournament.

Congratulations to Year 6 for winning Clyde the attendance owl this week.
