

Holt Community Primary School Newsletter Autumn 5 14th October 2015

Year 6 had an exciting time completing a range of challenging activities at Crowden last week. These included climbing, kayaking, stream scramble, weaselling, orienteering and caving. More photographs will soon be on display in the junior corridor. A huge thank you to all the staff who made the trip possible.

Harvest Assembly - 16th October

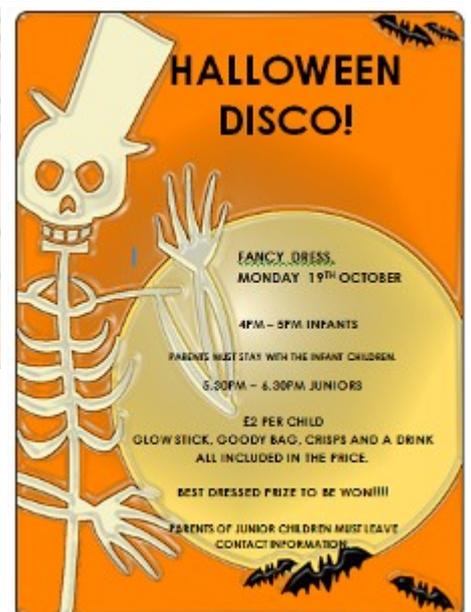

Children are invited to bring fresh produce, cakes or bread to school on Friday 16th October for our harvest assembly. All the produce will be on sale after school at 3pm. All money raised will go towards the churches in Holt appeal to aid the refugee crises.

Cycling

Last week 16 Y5 children began their level 2 cycling training. We are currently inviting children to design a logo for a new cycling club in Holt.

The Infant's Pet Assembly was a great success. The children had the opportunity to meet a wide variety of different pets including dogs, cats, guinea pigs, rats, stick insects, a tarantula, a snake, a barn owl and a buzzard. Thank you to all the parents for bringing them to school and to the pets for their excellent behaviour.

We are pleased to announce that the school has achieved Healthy Schools status. The award is about the promotion of well-being amongst the pupils and staff. This follows an assessment of healthy eating, encouragement of physical activity, personal social and health education, behaviour management, drug and alcohol education and health and safety.
