

# Holt Community Primary School Newsletter Autumn 2 6th October 2016

Year 6 had a wonderful time completing a range of challenging activities at Crowden last week. These included climbing, kayaking, stream scramble, weaselling, orienteering and problem solving. More photographs will soon be on display in the junior corridor. A huge thank you to all the staff who made the trip possible.

Thank you to the committee of the Brit's Charity match who presented the school with £150 which they raised in the summer. The money will go towards buying new play equipment for the infant and junior playgrounds.
