

# Holt Community Primary School Newsletter Autumn 9 11th December 2016

Thank you to everyone who donated items for the Christmas Fayre and a special thank you to all the parents, staff and children for all their hard work preparing and running the event.

The internet is full of exciting things to explore and children love it. But whilst they seem to know what they're doing, sometimes it's hard for parents to keep track. This is particularly true when it comes to messaging and social networks. We occasionally get told that children at the school have accounts with Facebook, Instagram or YouTube etc and all of these are rated as 13+. To help parents, the **NSPCC** has developed a website called **NetAware** ([net-aware.org.uk](http://net-aware.org.uk)), which gives parents the information they need to help children make the right choices. You will find a link to **NetAware** on the school website. If you have any more questions please speak to Mr Gleeson.

Year 5 completed their moneywise workshop. They learnt a lot about how to look after money and how banks work.
