

# Holt Community Primary School Newsletter Spring 3 5th February 2017

YR/1/2 celebrated the Chinese New Year by making Chinese lanterns, creating a cockerel picture, and tasting prawn crackers, sweet chilli sauce, egg noodles, water chestnuts, bamboo shoots, bean sprouts and lychees.

This half term years 3 and 4 have been engaged in their topic all about robots. They made 3D models from junk with a moving part and an electrical circuit. They then planned and filmed a short story about their robot and edited it using 'Wevideo', adding special effects, music and stop-go animation. Last Wednesday the rest of the school and parents were invited to view some of these short films at the exciting event: 'Rob-Oscars'. All the children received an award for their fantastic work!

### Dates for your diary
