British Science Week

We had some great investigations happening across the school during British Science Week. We had fun with the following experiments:
Nature's colour palette - finding colours in nature.
Flowers to dye for - changing the colour of flowers.
Boogie Gloop - a non-Newtonian fluid.
Camouflage (using wool worms).
Changing like the wind- finding out wind direction using bubbles.
Catch a rainbow - finding out how washing up liquid works using coloured milk.

Easter Hop Disco—Friday 31st March

£2.50

4.30pm -5.15pm Infant Disco (Adults must stay)
5.30pm-6.15pm Junior Disco
Easter Hat Competition
Drinks, crisps and sweets

The Reception class performed a brilliant version of 'The Enormous Turnip' for their assembly.
