

# Holt Community Primary School Newsletter Summer 6 4th July 2017

Years R, 1 and 2 had a fabulous day trip to Sheringham as part of their topic on the seaside. They caught the steam train from Holt to Sheringham station. Then they walked along the seafront and visited the Mo museum and the shell museum. Everyone had a great day out and learnt all sorts of things about the coast.

Years 5 and 6 travelled back in time to experience life as a Tudor visitor to Kentwell Hall. They joined in many activities including army drills and helping to make Tudor medicines, and they watched a Tudor feast being prepared.

Children from Years 5 and 6 have been working with Dr Ward to write poetry. They all read their fabulous work to an audience of parents at the poetry recital after school.

Years 3 and 4 had an excellent trip on the railway to experience life as an evacuee during World War 2. They wore gas masks and experienced an air raid, learnt to identify aircraft, helped around a war time house and had a war time rationing lunch.

Year R put on a great assembly based on the book 'Sharing a Shell' by Julia Donaldson.

Some children from Years 4 and 5 were invited to Kelling Heath Holiday Park for a day of outdoor learning activities. They took part in pond dipping, bug hunting, scavenger hunting, feeding the Welsh Mountain sheep and a nature walk.
