Congratulations to all the Year 6 for all their hard work and thank you to all the staff that have worked so hard with them over the years.

A big well done to the year 5s who performed on stage at Sheringham Little Theatre in the poetry grand slam competition against three other schools. They came away winning best school for performance.

Mr Gleeson will be helping to split classes and leading maths interventions across the school. Sadly, Mr Futter is leaving the school to start his own painting and decorating business. In his time at Holt Mr Futter has transformed the teaching of sport at the school, which has led to our many successes at sports competitions. His role will be replaced by Dave Upton. Mr Upton will be familiar to parents and children as he organizes the majority of the cluster sports events. He is a qualified P.E teacher and comes highly recommended. He will teach every Wednesday and Thursday and we look forward to working with him.
