

Holt Class
Spring Term 2018 newsletter

Welcome back Year 2!
I hope you all had a wonderful break over the
Christmas holidays.

We have another exciting term ahead in Year 2.

Topic: This term we began learning about the world and after Sweetie the panda escaped from Edinburgh Zoo, we decided to learn more about Scotland. We will also be learning about nature and living things (plants and animals) before Easter.

English: Where possible, English lessons fit into the topic we are learning. We will be reading some Scottish stories and legends this term and we will be putting together some news reports for our Class Assembly performance.

Maths: We will be learning all about 2d and 3d shapes this term, as well as understanding division and multiplication. We will also be thinking about different ways to collect and display data.

Computing: As well as continuing to learn to code, the children will practise sending and receiving emails, typing and how to stay safe online.

PE: Year 2 will be learning some yoga poses and techniques with me in PE this term. Ask your child to teach you some moves.

Important dates:

Thurs 25th Jan: Burns Night food tasting.

Tues 6th Feb: Safer Internet Day.

W/B 12th Feb: Half term

Wed 21st Feb: Class assembly (9:10am, hall)

Thurs 1st March: World Book Day.

W/B 12th March: British Science Week.

Fri 23rd March: Sports Relief.

Maths cafe [date TBC]: Year 1/2 are planning on running a maths cafe (similar to a story cafe, where we share a book and lead an activity for you to do with your child) sometime this term.

How you can help.

Please continue to read with your child as often as possible. We aim to read with every child in the class at least once during the week, and I check their planners regularly. Please continue to write down any reading done at home as it is lovely to see how well they're doing.

If you have any questions, please do come and see me.

Many thanks,
Mrs Yexley. ☺
