

Wolterton Class Newsletter - Autumn Term

Welcome to the first newsletter from Holt Primary's Y4 class, Wolterton.

Welcome back to school to all the children, parents and carers of our Y4 children. It's been a great start to the term and I am expecting great things.

If you haven't already done so please download the clasdojo app to your phone. I'll be using that for your child's merit points and for two-way communications with parents. If you have any difficulty with that please email me or see me at the school gate.

This terms' topics are rocks, Spain, Picasso and The Stone Age.

Please read with your child or talk to them about their books at least three times a week. Help them record these sessions in their planner, and sign it over the weekend. Please send the planner into school every day.

Homework for times tables and spelling is set on Fridays, to be returned on Wednesdays. Occasional other homework will follow the same pattern.

Please practise times tables at least three times a week: Y4 need instant recall of all times tables when they do their government-set test in June.

I always welcome questions by clasdojo or email. If you can't catch me at the school gate at 0845 every morning, do use ssutcliffe9nr9@nsix.org.uk

PE lessons will be on Tuesdays and Fridays, although this may change at half term. Please make sure that your child's PE kit is in school on these days. If your child can't remove their own earstuds, please remove them before school on those days. Fridays' PE lessons will be with James, a sports coach who has started with us this term. We have competitions in cross-country, girls' football and a multiskills festival coming up this term.

Dates
